

Atty. Docket No. MP0299
Application No: 10/634,218

Remarks

Applicants and their representatives wish to thank Examiner Wang for allowing the present application and claims. Claims 1, 16, 24, 25, 30, 51, 57, and 88 have been amended to correct clerical errors therein. For example, Claim 1 has been amended to provide proper antecedent basis, and to insert the inadvertently omitted term "signal;" Claim 16 has been amended for consistency with dependent Claims 17 and 18; Claim 24 has been amended to properly depend from Claim 22; Claims 30, 51, and 57 have been amended to provide proper antecedent basis; and Claim 88 has been amended for consistency with Claim 82. These amendments do not change or narrow the scope of the claims. Thus, no new issues are raised in the present amendment.

In view of the above amendments and remarks, the application is in condition for issue. Early notice to that effect is earnestly requested.

Respectfully submitted,

Andrew D. Fortney, Ph.D.
Reg. No. 34,600
